We invite you to visit our entertainment center "Live Russia". It is an advanced recreation base for tourists from all over the world! Our program includes a trip to ten beautiful Russian cities that are equipped with new technologies.

During our trip you will be served by a staff of smart robots that realize your desires by reading your thoughts. In Russia, robots have become popular for a long time, now they are part of public life. If you decide to visit Russia or stay here they will make your life easier.

At the moment, only jobs for caring for robots and new flying vehicles are in demand here.

Almost all of people's free time is spent by ordinary for help in caring for robots or having fun on new flying bikes, cars, boats have become good entertainment for everyone.

On every street you can find restaurant with unusual cuisine, where food is served on quadcopters, upside down or in dishes with interesting pictures.

Friendly, interesting, advanced Russia is always open for guests, and our interesting travel program will help you make an important choice about where you want to live. Let's live in a world full of kindness, understanding and fun.
